

**The Mystery of Capital - Why Capitalism Triumphs in the West and Fails Everywhere Else,  
by Hernando de Soto**

Review by: Philip Sansone

The Economist magazine says of this book, "The most intelligent book yet written about the current challenge of establishment capitalism in the developing world." The challenge he refers to, of course, is that, apparently, four-fifths of the world's population has been left out of the program and how that problem can be remedied.
