

The Trouble with Africa - Why Foreign Aid Isn't Working

Calderisi is another 30-year veteran of the World Bank and an expert on Africa. His assessment of Africa concurs with Easterly's, and is also as "politically incorrect," as it bucks the status quo that for 50 years has failed to do much except spend huge amounts of money. Recommended, but if you read "White Man's Burden," this is not a must-read.
